

Machine Tool & Die

- [Ahaus Tool & Engineering](#) (tool and die, engineering and design, prototype and precision machining)
- Astro Cutting Tool (precision gun drills to automotive, aerospace and other industries)
- Boston Tool Co. (short run tooling, special machines, prototypes)
- [C-I-T](#) (Contract Industrial Tooling) (CNC machining, surface and OD grinding, complete welding facilities for detail weldments)
- [Elevator Equipment Co.](#) (complete tool and die shop for special machines)
- [H & H Design & Tool](#) (design and manufacture of stamping dies, short run tooling, special machines)
- [Mosey Manufacturing](#) (CNC machining)
- [Nixon Tool Co.](#) (machine dies, especially for food extrusion)
- [PTC Alliance](#) (special machines, cutting and welding)
- Reeves Manufacturing, Inc. (stamping dies, short run tooling, jigs fixtures & gages)
- Richardson Machine (molds, short run tooling, jigs fixtures and gages, prototypes)
- [Stolle Tool, Inc.](#) (short run tooling, special machines, CAD/CAM0)
- York Stamping (CNC machining, large-part manufacturing, contract machining, sheet metal fabrication)
